Santa's Little Helpers

This holiday season, we're unwrapping the magic of giving in a whole new way with "Santa's Little Helpers"!

What's It All About?

Imagine a world where every child's holiday dreams come true, where joy, warmth, and love shine brighter than the North Star. That's the spirit of "Santa's Little Helpers"!

♥ How Does It Work? ♥

Each of our office lobbies will be adorned with a beautifully decorated tree, sprinkled with currency envelopes, each carrying the power to make a difference.

Pick a Currency Envelope, Make a Dream Come True!

Members can select an envelope and fill it with any amount they can spare, whether it's a dollar or one hundred dollars. When they hand their envelope to our tellers, they'll receive a special tree ornament for our display and another for their own family tree at home.

The Secret to Our Magic

But the real magic happens when those envelopes are opened, and the accumulated funds are used to support our community. We will be donating these generous contributions into United Way, ensuring that people in our community have a brighter holiday season. Join us in spreading joy and making a significant impact on the lives of those who need it most. This year, our Christmas tree isn't just about decoration; it's a symbol of the incredible generosity and compassion within our Credit Union family.
