ROUND UP SAVERS

Small Change Can Make a Big Difference

Round-up Savers Program is designed to help members build their savings account balances by automatically depositing partial dollar amounts into a designated account. These accounts are aimed at helping kids and college students build savings, but adults can also utilize this program as well.

Every time you make a purchase with your La Porte Community Federal Credit Union VISA® Debit Card, we'll "Round Up" your purchase to the next whole dollar amount. The amount in excess of the purchase price is transferred from your checking account to your Round Up Savings account.

It's Easy to Save with Round Up Savings!
